

SCHOOL DISTRICT GOALS AND OBJECTIVES

The Ellsworth School Committee (ESC) recognizes its responsibility to set goals for the efficient operation of the Ellsworth School Department (ESD). In discharging this responsibility, the ESC will strive to ensure that the resources of the ESD are directed toward meeting the educational needs of each eligible student.

The ESC will develop annual goals based on input solicited from a variety of sources. These goals will be shared with the community, the staff, and the students. The ESD administration shall develop appropriate objectives designed to achieve the stated priorities.

The ESC will regularly evaluate progress toward meeting the goals and will adopt appropriate policies designed to facilitate their accomplishment.
